LSSI's Lincoln Manor to Sponsor Health Fair and Senior Expo for Older Adults

On Thursday, October 16, Lincoln Manor Senior Housing, a program of Lutheran Social Services of Illinois (LSSI), is holding a Health Fair and Senior Expo for older adults. The event is open to the community. Those in attendance will learn about issues that older adults face and also what support is available for caregivers. Admission is free at the event, which runs 9 a.m.–2 p.m. at First Presbyterian Church, located at 1106 Calvin Road in Rochelle.

“The day will be informative, not only for older adults, but also for caregivers,” says TyAnne Unger, Lincoln Manor program director. “Information on a wide range of topics will be available, as well as flu shots from the Ogle County Health Department.”

Attendees will have an opportunity to visit booths from vendors, including housing groups, hospitals, senior service organizations, senior centers and insurance companies. In addition, representatives from other LSSI programs — including Case Coordination Unit, Intouch Services, P.A. Peterson Center for Health (Rockford) and Peterson Meadows Retirement Community (Rockford) — will be present.

For those in need of transportation to the event, The Hub Senior Center will be providing free rides. For more information, call 815/562-5050.

Those in attendance will also have an opportunity to enjoy Crème de la Crepes by Ann Rice and Kathy Brooks for \$3 from 9 a.m. until 11 a.m. The Fellowship Committee of the First Presbyterian Church will sponsor a luncheon from 11 a.m. until 1 p.m. The cost is \$5 and will consist of soup, salad, pie and a beverage.

Lincoln Manor, a HUD (Housing and Urban Development) building, has 58 one-bedroom apartment units for people aged 62 or older. The facility, which offers a safe, comfortable and affordable place to live, also features a community room with a kitchen available to residents for various individual and group activities, as well as a full-time social service coordinator.

The rental fee for apartments is determined by each resident's ability to pay. In general, rent is 30 percent of the resident's monthly income. To be eligible to live at Lincoln Manor, individuals must meet specific income guidelines from HUD.
