LSSI's Peterson Meadows to Hold a Blooming Plant Sale

On Saturday, May 10, Peterson Meadows Retirement Community, a program of Lutheran Social Services of Illinois (LSSI), invites the public to attend a blooming plants sale. The sale will run from 8 a.m. - 4 p.m. at the program's site, which is located at 6401 Newburg Road in Rockford.

"There will be a large selection of hanging baskets and bedding flowers available for purchase," says Vicky Beard, administrator at Peterson Meadows. "It's a wonderful opportunity for individuals to purchase blooming plants for their springtime planting."

Proceeds from the sale will help support LSSI programs, including some Rockford-area ones. In addition to Peterson Meadows, LSSI also operates P.A. Peterson Center for Health (nursing and rehabilitation services), Luther Center (apartments for seniors), Intouch Services (home care and intergenerational programs for seniors), and foster care and adoption services.

Peterson Meadows, located in a wooded residential area, features lovely apartments and cottages, elegant dining areas, a snack shop, a full array of residential programming and group outings, garage facilities, as well as other activities and amenities. Its newest units have two floor plans: 1,391 or 1,416 square feet. Each unit has a full basement, four-season room, eat-in kitchen and a two-car garage. Units have two bedrooms and two bathrooms.

Founded in October 1867, Lutheran Social Services of Illinois is celebrating its 140th anniversary, and is a statewide, not-for-profit social service agency of the three Illinois synods of the Evangelical Lutheran Church in America.
